3 STATEMENTS RE ADDITIONAL FEES

5 In order to assist the Court in understanding the  
6 detail and urgency of the services rendered by the  
7 executor, the special administratrix and the attorneys for  
8 the ancillary executor, in connection with the requests for  
9 fees set forth below, petitioner points out the following:

10 Decedent was a world-famous motion picture actress.  
11 She died suddenly and unexpectedly. At the time of her  
12 death, she was in the process of remodeling a house at  
13 12305 5th Helena Drive, Los Angeles, California, which she  
14 had recently acquired. There was a substantial trust loan  
15 encumbrance on the property. There was no cash available in  
16 California. There was not sufficient cash available at her  
17 domicile in New York to meet all of her obligations. There  
18 were 35 creditors' claims filed in the ancillary administra-  
19 tion in California alone. There were mobs of curiosity  
20 seekers who came to the house, many of whom sought to buy  
21 or remove curios and memorabilia. There was no family member  
22 who could supply any assistance in the supervision of the  
23 decedent's affairs or in taking over any of her responsi-  
24 bilities.

25 It is against this background that the requests for fees  
26 in this estate must be viewed.
